RE: Front-end developer
Frontiers

Dear Mr/Mrs.

I am interested in the Front-end developer position as advertised in the LinkedIn website by your organization. The requirements closely match my learning and experience. Hereby, I have enclosed my resume to provide detailed information on my qualifications and skills for your review.

Throughout my past professional career, I have undertaken various important responsibilities with utmost sincerity. These are some of the skills I've imbibed all these while:

- Collaborative skill.
- Good interpersonal skills and communication skills.
- Ability to maintain good client relationships.
- Ability to work independently.
- Html
- Css
- Javascript
- JQuery
- Bootstrap
- Node.js
- Express.js
- Git & Github

With an urge to work both independently and well, in a team; I am positioned to exceed your expectations. I would look forward to get an opportunity to discuss my candidacy in more details. I thank you very much for your time and consideration.

Yours sincerely,

Maurice Odo
